WHERE LEARNING IS ... MISSION POSSIBLE!

## CORPORATE PROGRAMS

**Choose from the following options, and then your program will be customized to meet your goals!**

### Option 1 – Corporate Outing Space Mission

Number of participants: 12-30

Program Length: 2 hours

Cost: \$500

Fly to Mars or the moon in our hands-on space simulators. Participants are given a job as an astronaut in a demanding space mission that fosters team building. The success of the mission depends on effective communication, teamwork and problem solving skills.

### Option 2 – Team Building and Space Mission

Number of participants: 12-30

Program Length: 3 hours

Cost: \$ 750

Spend two hours in the simulated space mission as mentioned in option 1, plus participate in an additional one hour of team building and communication activities.

### Option 3 – Team Building and Space Mission

Number of participants: 12-30

Program Length: 4 hours

Cost: \$75/person

Spend two hours in the simulated space mission as mentioned in option 1, plus participate in an additional two hours of team building and communication activities. Refreshments provided.

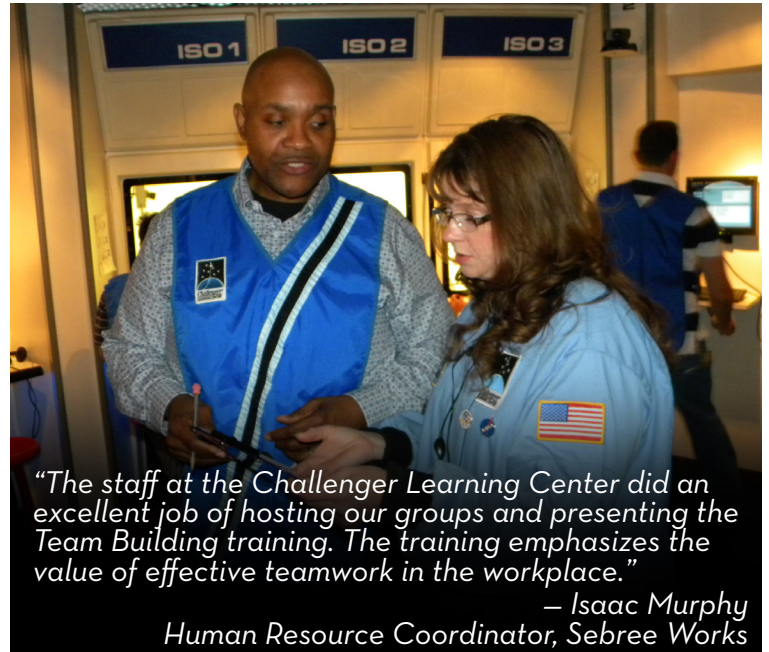

### Option 4 – Team Building for Small Groups

Number of participants: 4-11

Program Length: 1.5 hours

Cost: \$150

Spend time in our space simulators solving problems that astronauts encounter in space – includes team building and communication activities.

*“The staff at the Challenger Learning Center did an excellent job of hosting our groups and presenting the Team Building training. The training emphasizes the value of effective teamwork in the workplace.”*

*– Isaac Murphy  
Human Resource Coordinator, Sebree Works*

### Option 5 – Mars Mini-Mission for Small Groups

Number of participants: 7-15

Program Length: 2 hours

Cost: \$250

After team building and training activities, fly a 45-minute mission to Mars in our simulators. The success of the mission depends on effective communication, teamwork and problem solving skills.
