

Challenger Learning Center at Paducah

Facility Information

Lunch Facilities

You are responsible for making arrangements with your school to bring lunches for your students. The CLC at Paducah **does not** have a cafeteria. Lunch is the responsibility of the classroom teacher. We will be able to store ice chests and boxes with students' lunches at our facility on your mission day. Lunch will be no more than 20 minutes long. We have seating for 36 students available in our lobby.

Bus Information

- Please arrive at the Learning Center **on time** for your scheduled mission.
- From Alben Barkley Drive, turn into the West Kentucky Community & Technical College main entrance (O'Hara Drive) and continue until you reach the stop sign.
- Turn left at the stop sign and continue towards Crouse Hall.
- Turn into the **SECOND** circle drive that will be on your left. You will stop and unload students at this point.
- Once students have been unloaded, busses must exit campus and re-enter through main gates to reach appointed bus parking (indicated on map below).
- Bus drivers that leave the Challenger Learning Center after dropping off students should return **twenty minutes** before scheduled departure time.
