SPRING 2017

Rockin' Rockets | \$15

May 3, 1:00-3:00 pm

Ages 6-8

Calling all rocketeers! After we learn all about how rockets fly, we will build our very own bottle rockets and launch them!

Voyage to Mars | \$25

May 3-5, 1:00-3:00 pm

Age 9-15

Be among the first humans to land on Mars! Astronauts will spend two sessions learning about Mars and training for their journey. During the last session they will fly to Mars in our space simulators.
